

Ajman Stud

From the sands of an ancient land, arouse the magnificent Arabian Horses...

Ajman Stud is a beautiful horse farm situated in the heart of the desert of Ajman. Surrounded by sand dunes, Ajman Stud is a modern horse facility that hosts around 70 Purebred Arabian horses of the finest quality. The care and devotion of the Ajman Stud staff is beyond compare. If you walk through the farm you can feel all the dedication reserved to these magnificent creatures.

In 2009 Sheikh Ammar Bin Humaid Al Nuaimi inaugurated the new mare barn. A work of art that hosts some of the most beautiful mares in the world. The care for the details is typical of Sheikh Ammar's taste. Just outside the main entrance of this beautiful new barn is a sculpture of the king of Ajman Stud, Escape Ibn Navarrone-D, that seems to stand there taking care of his ladies. A beautiful sculpture by artist Judy Nordquist.

*A thing of beauty is a joy for ever:
Pass into nothingness; but still will keep
Full of sweet dreams, and health,
By* *Its loveliness increases; it will never
A bower quiet for us, and a sleep
and quiet breathing.
