Method of Judging

10 points system with half-points

(in-hand classes)

Type, head and neck, body and topline, legs, and movement will each be awarded points from 1-10 by each of five judges. The total of

points will be divided by the number of judges to give a score out of 50 for the horse. In the event of a tie for, the higher place will be given to the horse with the most points for type. If there is still a tie the higher place will be given to the horse with the most points for movement. Failing a decision on either of these, one judge chosen by ballot will name his preference. 1st and 2nd places horses of each class qualify for their respective championships only if there are yearling championships the first 3 from the respective classes are qualified.

In-hand Championship c) Open method

The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship. **The three First in each category will qualify for participating in their respective championship.** The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship.

The number of horses qualified from each class will be officially announced by the show organizer in the schedule and the show catalogue.

1. The Championships will be judged as follows:

- a. All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers.
- b. The horses will be judged individually, standing and trotting.
- c. Each judge will nominate his choice for gold silver and bronze medals together at the same time, from amongst all the horses qualified for the championship.

Points will be given to the nominated horses as follows:

- A horse nominated by a judge for Gold Medal will receive 4 points.
- A horse nominated by a judge for Silver Medal will receive 2 points.
- A horse nominated by a judge for Bronze Medal will receive 1 point.

The Gold Medal will be awarded to the horse with the most votes for Gold Medal Champion. In case of an equal amount of vote for Gold Medal Champion, the Gold Medal will be awarded to the horse with the highest number of championships points.

From the remaining horses:

The Silver Medal will be awarded to the horse with the highest number of championship points.

The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points.

In the case of a tie, the Rules for Ties in championships will be followed.

The judges will not discuss the horses.

2. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.
3. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship.
4. All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony.
Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show.
In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship.
5. In Title and A shows all horses that qualified for their respective Championship must remain at the showground until after their championships.

By participating at a show, show organisers, judges, exhibitors, owners and handlers agree that they will unconditionally submit themselves and the persons assisting and accompanying them to the "Rules for Conduct of Shows" and, as regards veterinary matters and drug misuse, to the relevant ECAHO Veterinary Regulations and ECAHO Rules for Medication Control. The accompanying persons include e.g. trainers or persons representing the show organizer as well as assistants of any of those persons. They will accept the jurisdiction of the Disciplinary Committee (DC), the Standing Disciplinary Committee (SDC) and the ECAHO Appeals Committee (EAC). The person responsible for the horse is the registered owner or the lessee, but the person who signs the entry form, the handler, and other support personnel including but not limited to grooms and veterinarians may be regarded as additional persons responsible if they are present at the event or have made a relevant decision about the horse. Should the person responsible designate someone to represent them (e.g. a lawyer) any correspondence sent to this representative will be deemed to have been communicated to the person responsible. These Rules will be interpreted when necessary under the provisions of the laws of Switzerland. Show organisers are not permitted to introduce rules which are in conflict with the EAHSC "Rules for Conduct of Shows". 2. Horses must be accompanied at the show by a horse passport containing all vaccination records. Those horses coming from a country that does not issue a passport, must be accompanied by an official Registration document which includes a graphic description and all vaccination records. If, when a horse attends a show, its passport is at the Registry for any reason, then a letter from the registrar attesting to this must be provided along with a photo-copy of the passport, including the description and the vaccination records. It is, however, permissible for this information to be given out after the judges score sheets have been collected for each exhibit. b) Show organisers will not release details of competitors or their exhibits to the press at any time prior to the
