### Al Adeed Al Shaqab

优良的血统来自父系的荣耀。Laheeb Al Nasser的父亲Al Adeed Al Shaqab是阿拉伯海湾获得奖项最多的埃及阿拉伯公马，同时也曾获得一次世界冠军和多次国际冠军公马大奖。Al Adeed Al Shaqab来自于曾出产过多匹埃及最重要的公马的Hadban Enzahi家族，其母亲为Bint Samiha，它同时也养育了不朽的Nazeer族后裔。经过仔细考察，我们发现Nazeer与Sid Abouhom广受认可的配对影响了Al Adeed Al Shaqab的全套血统，这样的配种也产生过具有皇家气质的Morafic。正是Nazeer和Sid Abouhom这两匹出色的种马让埃及马在阿拉伯马育马世界地图中占有重要的地位。Al Adeed Al Shaqab是Nazeer的体形和气质与Sid Abouhom的灵巧和活力最出色的融合，它将阿拉伯马的出色品质集于一身，并写入了自己的基因之中。它是每个人梦寐以求的配种公马，也把自己最重要的品质都传给了Laheeb Al Nasser。

*A* strong patriarchy is confirmed by the accolades of the father. Laheeb Al Nasser's sire,

Al Adeed Al Shaqab, is arguably the most titled Egyptian sire in the Arabian Gulf not to mention a World Champion and many times sire of Champions around the globe. In the tradition of the distinguished Hadban Enzahi strain that has produced Egypt's greatest sires, Al Adeed Al Shaqab represents this celebrated strain coming from Bint Samiha, dam of the immortal Nazeer. Careful study of the ancestry reveals the proven blend of Nazeer and Sid Abouhom influence throughout Al Adeed Al Shaqab's ancestry, a combination that produced the legendary Morafic. It was these two famous stallions, Nazeer and Sid Abouhom who put the Egyptian horse firmly on the global map throughout Arabian horse breeding. Al Adeed Al Shaqab is the epitome of the blend of Nazeer's type and nobility with Sid Abouhom's superior movement and desert vigor, molded into one magnificent Arabian of supreme quality who has stamped his trademark on his prized get. This is the kind of sire one hopes to have in a pedigree, and it is passed on in full measure to his incomparable son, Laheeb Al Nasser.

# *Bint Saida Al Nasser<sup>Dam</sup>*

*F*rom the time of the Bedouin, it has wisely been known that all Arabian greatness comes from the female line. Only a superior mare can offer a supreme son, and a supreme sire can only come from such a great mare. Laheeb Al Nasser has the distinction of being from such greatness because his dam is the celebrated Bint Saida Al Nasser. In tough competition, Bint Saida Al Nasser became the coveted Middle Eastern Champion as well as World Reserve Champion mare. Known for her beauty, quality and nobility, even as an aged mare she is still talked about. She captures the hearts of all with her undeniable charm - a spectacular mare that no one forgets. Her royal lineage is of the Hadban Enzahi strain. Like Laheeb Al Nasser's sire, she is also from the famed Bint Samiha female line, via Bint Samiha's granddaughter Maysouna, remembered as the dam line of World Champion mare Tiffaha. Bint Saida Al Nasser's dam line also produced Moroc, a Mediterranean Champion and World Reserve Champion stallion. Without question Laheeb Al Nasser is his mother's finest. This is the kind of mare one hopes for in a pedigree, and she is represented in full measure by her unmatched son, Laheeb Al Nasser.

## Bint Saida Al Nasser

从贝都因时代开始，人们就相信重要的影响均来自母系。只有一匹优秀的母马方可生出非凡的儿子，而超群的公马也只会出自这样伟大的母马。Laheeb Al Nasser就拥有这样的荣耀，它的母亲是著名的Bint Saida Al Nasser。在激烈的竞争中，Bint Saida Al Nasser脱颖而出，赢得中东冠军和世界替补冠军母马荣誉。它以美丽、优秀和气质而闻名，甚至在它的暮年依然是人们的话题。它无与伦比的魅力征服了每一个人的心 - 没有人会忘记这匹非凡的母马。它有着高贵的Hadban Enzahi血统。和Laheeb Al Nasser的父亲一样，它也出自Bint Samiha一族，其母亲是Bint Samiha的孙女、曾生育过世界冠军母马Tiffaha的Maysouna。Bint Saida Al Nasser的母系一族也育出了地中海冠军和世界替补冠军种马Moroc。毫无疑问，Laheeb Al Nasser是它的母亲最优良的后代。它绝对是人们希望用于配种的母马，而它无与伦比儿子Laheeb Al Nasser也毫无疑问是它最出色的代表。
