4 judges will judge each class independently from one another and without catalogue according to the following criteria: type, head and neck, body and top line, legs, movement, based on the 20-points-system with half points.

Regola in caso di spareggio – Rules in case of ties

Se sussisterà ancora parità il piazzamento migliore sarà assegnato al cavallo con più punti in movimento. Se sussisterà ancora parità un giudice a sorteggio indicherà la sua preferenza.

The higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points in movement. Failing a decision on either of these, one judge chosen by ballot will name his preference (This applies to the places 15 of each class).

Metodo di giudizio e regole del Campionato Methods and rules of judging the Championship

New ECAHO METHOD – nuovo metodo ECAHO

Ogni campionato (yearling femmine, yearling maschi, puledre, puledri, fattrici e stalloni) indipendentemente e a prescindere dai risultati ottenuti in categoria verrà giudicato per comparazione con il nuovo metodo ECAHO, blue book 2021. **Si qualifica per i campionati finali, i primi 3 classificati di ogni categoria.** Per ogni campionato finale, saranno premiati solo i vincitori delle tre medaglie: **Oro, Argento e Medaglie di bronzo.** Tutti i cavalli qualificati per il rispettivo Campionato faranno ingresso in campo e saranno allineati in fila in base al numero progressivo di pettorale così come indicato dal catalogo. I giudici esamineranno tutti i cavalli individualmente piazzati e quindi al trotto. I giudici non possono conferire fra di loro. Ogni giudice nominato per ogni campionato indicherà la sua scelta per il vincitore della medaglia d'oro, d'argento e di bronzo contemporaneamente, scegliendo tra tutti i cavalli qualificati per il campionato. La scelta del giudice verrà trascritta su apposita scheda.

The top 3 finishers in each category will qualify for the final championships. For each final Championship, only the winners of the three medals will be awarded: Gold, Silver and Bronze Medals.

CHAMPIONSHIPS will be judged comparatively with new ECAHO method, blue book 2021. The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship.

Ogni cavallo in base alle preferenze così ricevute da tutti i giudici in campo otterrà:

Ogni cavallo nominato da un giudice come Medaglia d'oro otterrà 4 punti

Ogni cavallo nominato da un giudice come Medaglia d'argento otterrà 2 punti

Ogni cavallo nominato da un giudice come Medaglia di bronzo otterrà 1 punto.

Points will be given to the nominated horses as follows ·

- A horse nominated by a judge for Gold Medal will receive 4 points*
- A horse nominated by a judge for Silver Medal will receive 2 points.*
- A horse nominated by a judge for Bronze Medal will receive 1 points*

La medaglia d'oro sarà vinta dal cavallo che avrà ricevuto il numero maggiore di preferenze per l'oro, il cavallo che avrà ottenuto il secondo miglior punteggio sarà nominato vincitore della medaglia d'argento. Il cavallo che avrà ottenuto il terzo miglior punteggio sarà nominato vincitore della medaglia di bronzo.

The Gold Medal will be awarded to the horse with the most votes for Gold Medal Champion. In case of an equal amount of vote for Gold Medal Champion, the Gold Medal will be awarded to the horse with the highest number of championships points. From the remaining horses: The Silver Medal will be awarded to the horse with the highest number of championship points. The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points.

In caso di Spareggio durante il Campionato il piazzamento migliore sarà assegnato al cavallo che avrà ottenuto il

miglior punteggio nella categoria preliminare. Se ancora sussisterà un exequo il piazzamento migliore sarà assegnato al cavallo che avrà il miglior punteggio in tipo e poi in movimento.

In case of tie, the best place will be given to the horse with the best score in class. In case of further tie, the best score will be given to the horse with best score in type, than movement.

Un cavallo Quarto classificato dovrà essere indicato da ogni giudice, sarà il cavallo che in caso di squalifica di una delle tre medaglie, sarà indicato come vincitore della medaglia di bronzo. Il cavallo quarto classificato non sarà annunciato. Nel caso in cui uno o più cavalli saranno squalificati, non sarà accettato nessun altro cavallo vincitore al di fuori del quarto classificato.

A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

Nel caso di una squalifica, i cavalli piazzati dietro al cavallo squalificato avanzeranno di un posto in categoria ma non avranno titolo per partecipare al campionato. Nel caso in cui un cavallo sia squalificato dal ring dai giudici oppure ritirato dal suo presentatore o per ogni altro motivo si allontani dalla competizione, verrà considerato come se avesse preso parte al Campionato.

All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship.

Tutti i cavalli premiati in classifica devono presentarsi per la cerimonia di premiazione, a meno che la DC decida diversamente, nel qual caso qualsiasi rappresentante del cavallo può accettare la medaglia senza che sia presente il cavallo. L'assenza del cavallo o di qualsiasi rappresentante che compaia nella cerimonia di premiazione squalificherà il cavallo dallo spettacolo, con la registrazione del punteggio nella Classe che verrà cancellata e sarà sanzionata secondo l'Articolo 16 del regolamento per le commissioni disciplinari.

All horses that are awarded a ranking in their respective class must take part in the Class prize giving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present. Absence of the horse or any representative to appear in the prize giving ceremony will disqualify the horse from the show, with its record of score in the Class being deleted and it will be sanctioned according to Rules for Disciplinary Committees article 16.

Nel caso di squalifica, tutti i cavalli piazzati dietro il cavallo squalificato avanzeranno di una posizione nella classifica

In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Class rankin

These Rules will be interpreted when necessary under the provisions of the laws of Switzerland.

Show organisers are not permitted to introduce rules which are in conflict with the EAHSC "Rules for Conduct of Shows".

Should a horse's name not be mentioned in the catalogue, its participation at the show will be allowed only if the exhibitor cannot be blamed for the omission; it will be for the DC to decide. The show catalogue shall furthermore contain: • The names of all the Officials, • The Rules for Conduct of Shows, • The judging system used, the rules for ties and the rules for championships, rules for foal classes (where applicable) • For Shows where prize money is awarded the total amount and distribution of the prize money.

5. No class may be split unless there are more than 10 horses entered. Combination of a class with the next age group of the same sex is permitted if the number of entries for the class is below three.

6. a) No announcement indicating the identity, breeding or past performance of exhibits, or the identity of their owners will be made during judging. It is, however, permissible for this information to be given out after the judges score sheets have been collected for each exhibit. b) Show organisers will not release details of competitors or their exhibits to the press at any time prior to the catalogue being put on sale at the showground. Catalogues will not be offered for sale, published or posted on internet more than one day before the commencement of the show.

7. a) No member of the show organising team may judge, or officiate as member of the Disciplinary Committee. b) If an ECAHO Official or a member of their family is a part of the Organizing Committee of an independent A or Title show, which is not organized by the National Association of the country where the show is held, then that Official cannot officiate at any other A or Title shows. c) Members of the Organizing Committees of A and Title shows may not enter their own horses in a Show which they organize. d) No Judge may judge more than one Title Show within Europe and one Title show outside Europe during the same calendar year. e) No Judge may judge more than 15 Arabian horse shows in ECAHO Member countries in the calendar year. f) No Member of the DC / Ringmaster may officiate at more than 15 Arabian horse shows in ECAHO Member countries in the calendar year.

8. The show organizers will ensure a proper rotation of judges.

9. The show organiser will provide appropriate transport, accommodation and meals during the show, for the judges, DC members, ring master and any other ECAHO show officials. If a judge, DC member or ring master cancels the invitation after the travel arrangements have been made, he will pay all the costs arising out of this booking.

10. The following minimum daily fees are mandatory and to be paid by the organizer to judges, DC members and ring masters per working day regardless of the actual hours: B International, C International, European and Specific Origin shows: € 100,- / A shows: € 150,- / Title shows: € 200,-. For all other shows a daily fee is optional and at the discretion of the show-organization. Material gifts are always allowed, regardless of the category of the show.

Judges, DC Members, Ringmasters and respective probationers, hereafter referred to as 'Official(s)'

11. Officials invited to officiate at ECAHO affiliated shows agree to do so with integrity and honesty and to carry out their duties solely with the objects of ECAHO and the welfare of the horses in mind.

12. a) Officials appointed at a show will not knowingly officiate in a class in which horses are entered concerning which there may be an actual or apparent conflict of interest. No official appointed at the show may exhibit, ride, drive or handle an entered horse or pursue any other activity not consistent with his duties at the show in which he is officiating. b) Exhibitors will declare on the entry form any actual or apparent conflict of interest with any of the officials invited for the show. Any exhibitor not declaring an existing conflict of interest, of which he is aware, will forfeit all entry fees and will be prevented from showing the horse. c) Organizers will not accept any entries for which any actual or apparent conflict of interest with one of the appointed officials has been indicated by the exhibitor, unless a reserve official is available. d) Judges will not visit exhibitors' premises or accept exhibitors' hospitality or gifts immediately before or during the show concerned, or accept any other benefits that could bring into question the judge's integrity or honesty.

13. a) An actual or apparent conflict of interest may occur if a horse is exhibited that: • Is being trained or handled by a member of the official's family • has been bought or sold by an official either as owner or agent • has been bred or is owned in whole or part by the official or by a member of the official's family, or business partner in an Arab horse business venture • has been leased by the official, at any time • has been bred by or is the property of a breeding organization in which the official is or was an employee • has been regularly trained, examined or treated by the official in a professional capacity • is the subject of an on-going negotiation to buy or lease, or a provisional purchase condition to which the official is a party. An actual or apparent conflict of interest may further occur, amongst others, if the Official, irrespective of the payment or receipt of a remuneration or any other consideration, during the period of one year (365 days) before a show at which the Official officiates: • has entered into any business relationship with an exhibitor at that show, • Has received, whilst being involved with the organization of any show or event, sponsorship from an exhibitor at that show or event. This does not apply to those events organized on behalf of a National Association which is a Full Member of ECAHO, as long as the Official has no financial benefit from the sponsorship. • has performed consulting for an exhibitor at that show, • has purchased or sold a horse from or to an exhibitor at that show, • was involved with the breeding of a horse of an exhibitor at that show, • was involved in similar activities with an exhibitor at that show.

In case of doubt, the DC's decision will prevail. Any Official must decline to officiate if they consider themselves to have a conflict of interests concerning a horse, its' handler or its' owner(s).

13. b) If, during the show a conflict of interests of which the exhibitor was un-aware becomes apparent, the following options are available:

i) if the official with the conflict of interests is a judge or probationer judge,

- the judge or probationer judge will suspend his/her duties for the duration of the class and respective championship

- a published reserve judge or another judge from the judges' panel may be used for the class and respective championship

- if the above mentioned (i) is not applicable and if no reserve judge is available or there are no more members of the judges' panel, the total points in the class will be multiplied by the factor of planned number of judges divided by the actual number of judges, to calculate a comparable score in case of ties in championships

ii) if the official with the conflict of interests is a DC member, this DC member is not allowed to issue any yellow or red cards for the duration of the class and respective championship, but may continue all other duties

iii) if the official with the conflict of interests is a Ringmaster, this Ringmaster may be replaced for the duration of the conflict by: • a reserve Ringmaster • a member of the acting DC

All aspects concerning actual conflicts of interests and their consequences will be recorded in the DC report.

14. All officials will receive a list of exhibitors and sponsors from the organizer immediately after the official closing date of entries. Any later entries will be communicated without delay.

Judges will not consult the show catalogue before or during the show at which they are judging.

15. In the show ring, all communication between judges and handlers prior to the presentation of prizes will be through the Ringmaster.

16. Judges may withhold any award if in their opinion the exhibit does not merit such an award.

17. The judge, or if more than one, the panel of judges may request that the ring master show a handler a yellow or red card if they consider that there is abuse to a horse or that there is misconduct.

24. Stallions and colts aged three years and over may be shown wearing bridles and bits that are both secure and comfortable for the horse. All bridles without bits are equally to be both secure and comfortable for the horse. Any horse that is not under control will be removed from the show ring and disqualified.

25. a) Any horse becoming loose in the collecting ring is subject to a penalty (of a fine not exceeding 100 €) at the discretion of the DC. b) Any horse becoming loose in the show ring will immediately continue to be shown and is subject to a penalty (of a fine not exceeding 100€) at the discretion of the DC. Should the horse become loose a second time it will be disqualified.

26. All horses that are awarded a ranking in their respective class must take part in the Class prize giving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present. Absence of the horse or any representative to appear in the prize giving ceremony will disqualify the horse from the show, with its record of score in the Class being deleted and it will be sanctioned according to Rules for Disciplinary Committees article 16.

In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Class ranking.

Burns, cuts or other marks on the body of any exhibit in such places or positions as to indicate that prohibited methods have been used will be regarded as full and adequate grounds for exclusion of any exhibit from competition, at the discretion of the DC with veterinary advice.

31. a) In halter classes horses may be fully or partly body-clipped, subject to eyelashes being left uncut, hair inside the ears left unshaved and tactile hair left intact around the nose, muzzle and the eyes. Horses not fulfilling these criteria will not be allowed to participate. "Balding" is not encouraged. b) No equipment intended to alter the natural appearance of the horse is permitted in the stables, including but not limited to necksweats, neck collars, tailracks, hobbles or weights. 37. A yellow Card may be issued if there is a further offence after a warning or it may be issued without such warning.

38. A red Card will be issued if the handler receives a second yellow card for having committed a further handling offense during the same show. The offender will then be banned from handling any horses for the rest of the show in which he receives the red card. The horse being shown by a handler when he receives a red card may be shown by another handler at the end of the class. In the event of a serious offence involving mistreatment or dangerous behaviour, DCs may issue a red card without prior warning.

39. Any handler disobeying the instructions of any DC member, judge or the ringmaster will be sanctioned. Such sanction can be visibly and publicly indicated with yellow and red cards.

Veterinary Matters

40. Horses with apparent clinical signs of a disease may not participate at the show at the discretion of the DC Veterinarian. If the DC Veterinarian diagnoses apparent clinical signs of a contagious disease, the horse must be immediately put into quarantine and may not participate at the show.

41. Vaccination regulations for shows will require 12 months intervals normally, or shorter where local/national authorities mandate it. Such shorter intervals to be shown on the entry form (see Addendum – Equine Influenza Vaccination page 58).

42. All Veterinary treatment necessary at the show ground must be carried out according to ECAHO Veterinary regulations. The person responsible for the horse will ask the vet who treats the horse to complete a treatment form and present it to the DC-vet at the show. A deposit of € 200,- or equivalent in local currency will be lodged with the DC and may be retained at the DCs discretion, if the complaint is considered frivolous. Such forfeiture belongs to ECAHO.
