The Concept of the Arabian Futurity Europe

The Arabian Futurity Europe Group - founded in 2004 - a initiative for Breeders of Arabian Horses in Europe. Founders and members of the Arabian Futurity Europe Group are James Swaenepoel (Belgium), Karl-Heinz Stöckle (Germany) and Gregor Aymar (Germany). Expanding the Board of Directors in 2020 by four new members, Antonia Bautista (Spain), Noémie Zeller (Switzerland), Pamela Moell (Sweden), Mario Matt (Austria).

Goal of the concept is to give a new impulse to Arabian Horse Breeding and Arabian Horse Events in Europe. With an excellent selection of The World's highest quality Breeding Stallions, we create the opportunity to buy one of these breeding's in an open Auction and automatically enlist to compete with the horse, born out of this breeding, in a Foal, Yearling, Junior and Ridden Futurity competition. A Futurity competition with an interesting amount of prize money.

For Breeders and Stallion Owners...Our concept is an opportunity for both sides of Arabian Horse Breeding...

The Breeder and the Stallion owner.

For the Breeder, we bring breeding's of excellent quality together at one place. During the internet-based Auction, you can place your bid online (after registering on the website: www.arabian-futurity.com).

The highest bid for each Breeding wins not only the excellent breeding itself, but also a ticket for the Futurity Cup.

Rules for Conduct of Event

By participating at a show, show organisers, judges, exhibitors, owners and handlers agree that they will unconditionally submit themselves and the persons assisting and accompanying them to the "Rules for Conduct of Shows" and as regards veterinary matters and drug misuse, to the relevant ECAHO Veterinary Regulations and ECAHO Rules for Medication Control.

The accompanying persons include e.g. trainers or persons representing the show organizer as well as assistants of any of those persons. They will accept the jurisdiction of the Disciplinary Committee (DC), the Standing Disciplinary Committee (SDC) and the ECAHO Appeals Committee (EAC).

The person responsible for the horse is the registered owner or the lessee, but the person who signs the entry form, the handler, and other support personnel including but not limited to grooms and veterinarians may be regarded as additional persons responsible if they are present at the event or have made a relevant decision about the horse. Should the person responsible designate someone to represent them (e.g. a lawyer) any correspondence sent to this representative will be deemed to have been communicated to the person responsible. These Rules will be interpreted when necessary, under the provisions of the laws of Switzerland. Show organisers are not permitted to introduce rules which are in conflict with the EAHSC "Rules for Conduct of Shows".

Horses must be accompanied at the show by a horse passport containing all vaccination records. Those horses coming from a country that does not issue a passport, must be accompanied by an official Registration document which includes a graphic description and all vaccination records. If, when a horse attends a show, it's passport is at the Registry for any reason, then a letter from the registrar attesting to this must be provided along with a photocopy of the passport, including the description and the vaccination records.

Documents

A photocopy of the vaccination certificate and the presently valid registration document (passport) and pedigree showing name of horse, sex and date of birth should accompany the entry for each exhibit so that errors in the catalogue and allocation of horses to classes are avoided. Where the year only is given for date of birth, horses will be deemed to have been born on 1st January. Passports for horses registered in Europe (or registration Certificate for horses from outside Europe) with graphic description to be presented at the show. Each horse needs one entry form!

If a horse is ridden by two riders, declare clear who is riding what class.

Please send a copy of the horse's pedigree with this entry form.

Foal Classes

In those shows where foal classes are held:

- a) Foals may not compete in EAHSC Championships, nor will they qualify for any future Title or A Show.
- b) When foal classes are organized at EAHSC affiliated shows, the EAHSC Rules will apply.
- c) Foals must have a minimum age of four weeks at the date of the show and must be shown at foot (with the dam) up to six months of age. Orphaned or rejected foals under five months may not be shown.
- d) The use of metal halters and halters with metal chains is forbidden.
- e) A comparative judging system is recommended.
- f) With regards to stricter rules for the welfare of foals, organisers may introduce their own rules as long as these are presented to ECAHO for approval prior to sending out the schedule and are clearly stated in the show schedule and catalogue.

Foals - for identification purposes:

Foals under six months shown in foal classes with their own mother need no special documentation, but the mother must have all necessary documents. Foals over six months shown without their dam, foals from Embryo Transplant or foals with foster mothers which are shown in foal classes and do not yet have a passport, must be micro-chipped and in possession of a copy of the official Stud Book Registration form, showing the micro-chip number and the graphic description of the foal.

Overqualification rules in hand classes:

Horses that have won gold, silver, or bronze medals in their respective age group (from yearling to juniors, starting from zero) on a Title or A-show, one or more times. Also, on a B show, two or more times have finished as Gold Champion are not eligible to participate.

Excepted from these overqualification rules are participating horses that result from an auction breeding.

Regardless of their achieved success, these are always eligible to start.

Method of Judging:**Judging System Qualifying Classes Show:**

There will be qualifying sections - Filly & Colt Foals, Yearling Fillies and Yearling Colts, 2- & 3-years old Fillies and Colts. The qualification classes are assessed by 5 judges.

With 10 or more participants in the respective categories, two qualifying classes will be held, in which the top three from each class are qualified for the championship.

Each judge awards for the 1st place, 20 points / 2nd place 14 points / 3rd place 10 points.

In the event that there are less than 10 participants in the respective advertised categories, we will conduct one qualifying class in which the top five qualify for the championship.

Each judge additionally awards for the 4th place 6 points and the 5th place 2 points.

The average of all judging results gives the overall result and the participation in the respective championships. Rules for Ties in Qualifying Classes

In case of a tie, one judge will be drawn by lottery to make the final decision.

Judging System Ridden Classes / Championship:

In all riding competitions Junior & all Ages Hunter Pleasure, Western Pleasure, Classic Pleasure includes the first competition on Saturday and the last competition on Sunday. Both results are counted together, and the winner is determined. In the event that less than three entrants participate in the competition, the competition concerned shall be cancelled.

Championship Show- Open method:

Again, judged by 4 judges, each judge will pick by ranking his Gold, Silver, Bronze Champion, 4th & 5th place will be selected from amongst all the horses which have qualified in their respective classes for each championship.

- a. All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers.
- b. The horses will be judged individually, standing and trotting.

A gold vote from a judge will counted with 20 points.

A silver vote from a judge will counted with 14 points.

A bronze vote from a judge will counted with 10 points.

A 4th place vote from a judge will counted with 6 points.

A 5th place vote from a judge will counted with 2 points.

Each judge will nominate his choice for gold silver and bronze and the Top Five (place 4 & 5) together at the same time.

The Gold Medal will be awarded to the horse with the most votes for Gold Medal Champion. In case of an equal amount of vote for Gold Medal Champion, the Gold Medal will be awarded to the horse with the highest number of championships points.

From the remaining horses:

The Silver Medal will be awarded to the horse with the highest number of championship points.

The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points.

The 4th place at Top 5 will be awarded to the horse with the 3rd highest number of championship points.

The 5th place at Top 5 will be awarded to the horse with the 4th highest number of championship points.

Rules for ties in Championships

In case of a tie, one judge will be drawn by lottery to make the final decision.

All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony.

Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show.

In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship.

Winning prize money:

Only horses sired by a nominated stallion (see at <https://afe.auction/nomination>) can win prize money as it is published at (<https://afe.auction/prices>).

Participating horses who are not sired by a nominated stallion, cannot win prize money and they are marked in the catalogue GREEN.

1. Horses that come out of an auction breeding (names marked **RED** in the catalogue / excel lists) are entitled to win 100% of the advertised prize money.
2. Horses that have been nominated before birth (names marked **BLUE** in the catalogue / excel lists) can win 50% of the prize money advertised. The list of the currently nominated unborn foals can be found under the link. <https://afe.auction/nomination>
3. Horses on which neither 1. or 2. applies (names marked **BLACK** in the catalogue / excel lists) are entitled to win 25% of the advertised prize money.

Each participating horse owned by a non-EUROPEAN owner will receive 50% of the according prize money won under 1 – 3.

The Stallion Owner who enters a Breeding of a stallion into the auction is also competing. Our "Get of Sire Award" is not only an honourable award but also offers some interesting prize money. Apart from that, the Marketing Value of the Arabian Futurity Auction and Cup should not be underestimated. It offers European wide promotion of the stallions and a market with excellent opportunities.
